MEMORANDUM FOR: Acting Director of Central Intelligence  
FROM: Chief, Interdepartmental Affairs Staff, OPP  
SUBJECT: SSG on Poland

1. The attached materials are for your participation in today's SSG meeting on Poland. I understand you received the NSC paper over the weekend and that Bob Gates was able to discuss it with you on Saturday. Bob suggested that you probably did not require any further talking points on the paper itself.

2. I just received a note on your envelope requesting materials to present an intelligence update. What I have pulled together for you includes the latest interesting cables on Poland and the latest CIA and INR situation reports. I have not been able to sit down and draft any talking points for you, but if I have time I will try to scratch something out.

3. Because the charter of the SSG is fairly wide, I have included the latest information on other areas of concern. I hope that the material will be adequate for your needs at the meeting.
